

Supplemental Table 1. Definition of subgroups according to dissection cleavage and arachnoid membranes in the brain-tumor interface

	Extra-H Group Figure 1A	Extra-N Group Figure 1B	Subpial Group Figure 1C1/2
Surgical cleavage	Extra-arachnoid and Extrapial	Extra-arachnoid	Subpial
Arachnoid membranes and their treatment	Hypertrophy, Preservation	No hypertrophy, Preservation	Hypertrophy or disruption, Total removal
